

## TURKEY - CENTRAL ANATOLIA - CAPPADOCIA - GÖREME

### Kapadokya Akademi Guesthouse „FAIRY CHIMNEY INN“

The Cappadocia Academy guesthouse is located in the upper part of the traditional village of Göreme in one of the famous cave-cones called „fairy chimneys“. More than a thousand and one years ago this cave-dwelling was part of an old byzantine monastery.

Today you can inhabit one of these caverooms and enjoy the unique troglodyte atmosphere, view, quietness and gorgeous play of nature. We combine the traditional and local character of the vernacular architecture with hidden modern comforts and facilities. Further more we provide an individual service with intercultural flair.
